

Comfort to
feel good

The perfect
mattress for
your bed.

ORTHO SUPPORT®
BASIC

The exceptional pressure relieving effect of Ortho Support® mattresses reduces the tossing and turning during the night. Therefore the slow-wave sleep phase, often referred to as deep sleep, is longer and the sleep is more restful and refreshing.

Super-Dry-Cover:

- Removable
- Washable up to 60°C
- Breathable

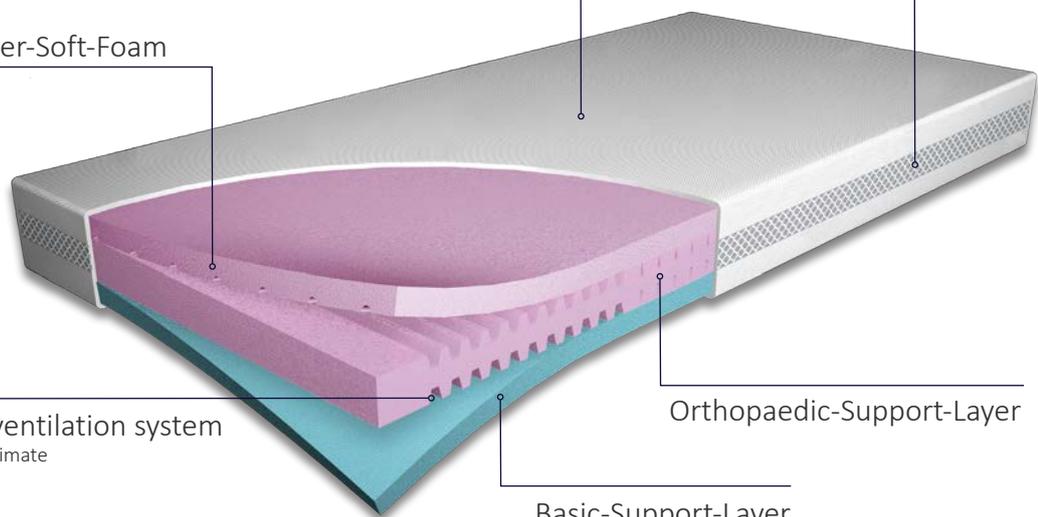

Mesh³-Climate-Control

Super-Soft-Foam

Exceptional ventilation system
for an ideal microclimate

ORTHO SUPPORT®

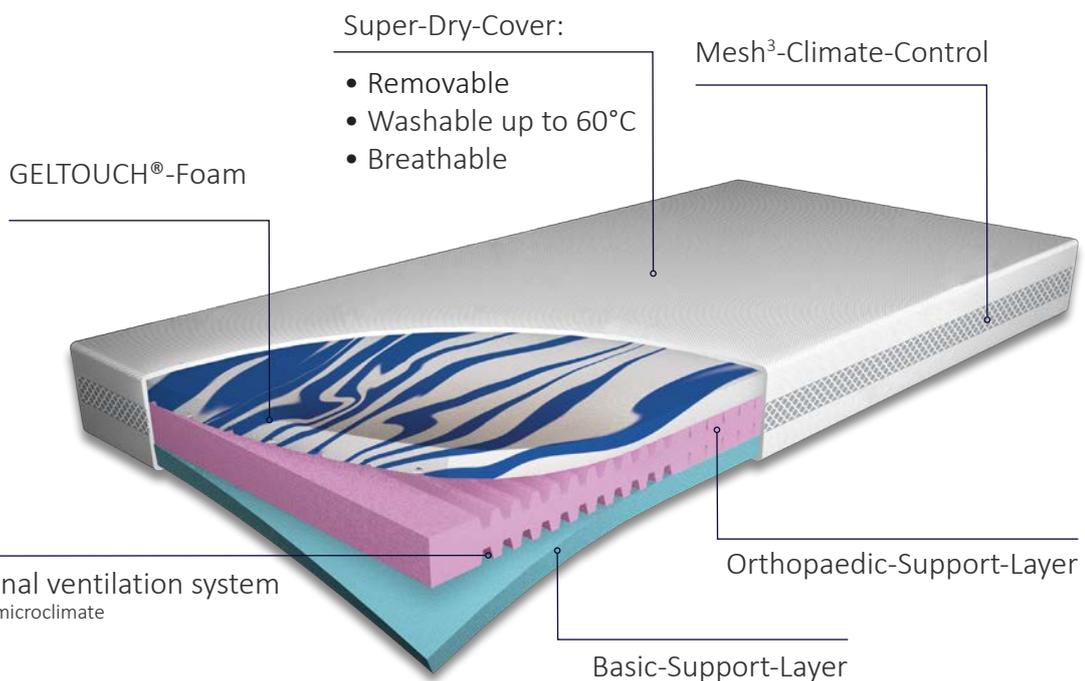

BASIC VISCO

Visco-elastic foam is a very soft foam that conforms perfectly to the body and ensures premium support and comfort.

ORTHO SUPPORT®
BASIC
GEL

In addition to the excellent pressure relieving effect Gel-Foam regulates the sleeping temperature. It prevents heat accumulation and creates a perfect microclimate.
