## ORTHO support® neck pillow

### Neck pillows for restful nights

The neck pillow supports the natural posture of the head and neck during sleep.

Its ergonomic shape adapts perfectly to the head and neck line, helping to relieve pressure on the spine and prevent tension in the neck and shoulder area. At the same time, the pillow ensures stable support when lying on your back or side, promoting peaceful, restful sleep.

Visco layer

### Features

- Super-Dry-Cover: removable via zipper, washable up to 60°C, breathable
- Top layer made of visco foam (memory foam) for an optimal adaption to the shape of your head
- Three-layered design, that allows height adjustment depending on your comfort level
- Ideal neck support with a firmer lying comfort
- Breathable and optimal heat/climate control
- Suitable for adjustable bed frames

### Technical data

- All foams and fabrics comply with Oekotex-Standard 100
- Suitable for allergy sufferers

Also available as travel pillow in a practical travel size!
